Simon Fraser University is proud to be a partner in the Centre for Digital Media and the Master's of Digital Media program. As Canada's community-engaged research university we are committed to delivering innovative programming that provides graduates the knowledge and experience they need to meet the demands of the thriving technology sector in British Columbia and beyond.

This internationally recognized program brings together top minds and talents to engage students in rewarding professional careers in areas such as healthcare, education, business and the entertainment industry. Best wishes to current and future students.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Joy Johnson', with a long horizontal flourish extending to the right.
